INTRODUCED BY: CONSENT
PROPOSED BY: AUDITOR
DATE: 3/17/2009

ORDINANCE NO. 2009-017

ESTABLISHING WHATCOM COUNTY
VOTING PRECINCTS

WHEREAS, there have been numerous annexations by cities within Whatcom County over the past several years which require precinct boundary changes; and

WHEREAS, state law mandates in R.C.W. 29.16.050 (2) that every voting precinct shall be composed, as nearly as practicable, of contiguous and compact areas; and there have been annexations by Lynden City that caused precinct 126 to be divided requiring the creation of a new precinct, 157; and

WHEREAS, the City of Blaine has redrawn the ward boundaries for the three wards of the Blaine City; and

WHEREAS, the County Auditor has discovered errors in legal descriptions of some precinct boundaries; and

WHEREAS, some legal descriptions of precinct boundaries need updating through elimination of references to obsolete landmarks and more precise boundary descriptions; and

WHEREAS, a single County ordinance establishing the legal boundaries for all precincts within Whatcom County is needed to promote simplicity, uniformity and to facilitate recording subsequent precinct boundary changes; and

WHEREAS, state law mandates in RCW 29.04.040 (2) that no precinct boundaries may be changed during the period starting on the thirtieth day prior to the first day for candidates to file for the primary election and ending with the day of the general election; and

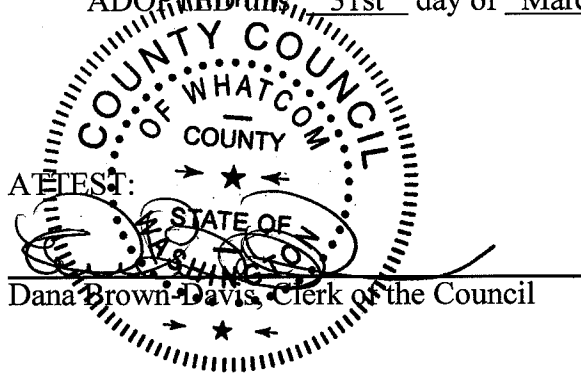

WHEREAS, the first day for candidates to file in person is June 1st, 2009 and the precinct boundaries must be established by May 1st, 2009 and time is needed for the necessary procedural steps such as legislative authority approval, notification of voters, production of maps, and notification to the Secretary of State.

NOW THEREFORE, BE IT ORDAINED that:

1. All ordinances or portions thereof establishing voting precinct boundaries in Whatcom County enacted prior to this ordinance are hereby repealed.

2. A single new ordinance establishing all voting precincts in Whatcom County is hereby enacted effective April 10th, 2009 and shall read as set forth in the attached Exhibit "A", which is fully incorporated herein.

ADOPTED this 31st day of March 2009.

EXHIBIT "A"

REVISED PRECINCT DESCRIPTIONS

Whatcom County Precinct Boundary Updates – Corrections 2009

Precinct 101

Beginning at the point in Sec 33, T 41N, R 3W, where the international boundary line intersects the meander line at the west side of Georgia Strait; then southerly and easterly along the meander line and continuing northerly along the meander line of the west side of Boundary Bay to its intersection with the international boundary line in Sec 35, T 41N, R 3W; then west approximately 2 1/2 miles to the point of beginning.

Precinct 102 (Description error)

Beginning at the intersection of the centerline of Harborview Road and the shoreline of Birch Bay; then westerly and northerly along said shoreline to it's intersection with the city limits of Blaine City; then easterly along said city limits to it's intersection with the shoreline of Drayton Harbor; then along said shoreline to it's intersection with the centerline of Harborview Road; then south along said centerline to the point of beginning.

Precinct 103 (Language update)

Beginning at the northeast corner of Sec 4, T 40N, R 1E; then south approximately 3 miles to the right-of-way of Interstate 5; then northwesterly along said right-of-way to the east-west centerline of said Sec 16; then west along said centerline to the center of Sec 17, T 40N, R 1E; then south along the north-south centerline of Sec 17 & 20, said Township and Range to the south line of Sec 20; then west along the south line of Sec 20 and Sec 19, said Township and Range to the west line of said Sec 19; then north along the West Section lines of Sec 19 and 18 to the shoreline of Drayton Harbor; then northeasterly along said shoreline to the city limits of Blaine City; then easterly, northerly, and easterly along said city limits to the point of beginning.

Precinct 104

Beginning at the southeast corner of Sec 13, T 40N, R 1E; then north to the East-West centerline of Sec 1, T 40N, R 1E; then east 1/2 mile; then north to the international boundary line; then west to the city limits of Blaine City; then southerly and westerly along the city limits of Blaine City to the northwest corner of Sec 3, T 40N, R 1E; then south approximately 3 miles to the southwest corner of Sec 15, T 40N, R 1E; then east 3 miles to the point of beginning.

Precinct 105 (Lynden City annexation)

Beginning at a point 1/2 mile east of the west line of Sec 31, T 41N, R 2E, on the international boundary line; then south to the South 1/16 line of Sec 6, T 40N, R 2E; then east to the east line of Sec 6, T 40N, R 2E; then south 1/2 mile; then east 1/2 mile; then south to the centerline of Loomis Trail Rd.; then east along said centerline to its intersection with the city limits of Lynden City; then north and east along said city limits to it's intersection with the centerline of Guide Meridian; then north along said centerline to the international boundary; then west along said boundary to the point of beginning.

Precinct 106 (Language update)

Beginning at the center point of Sec 17, T 40N, R 1E; then south 3 1/2 miles; then east 4 1/2 miles, then north 3 miles, then west 3 miles to the centerline of Giles Road; then south along said centerline to it's intersection with the right-of-way of Interstate 5; then northwest along said right-of-way to it's intersection with the east-west centerline of Sec 16; then west to the point of beginning.

Precinct 107

Beginning at a point in the center of Sec 6, T 40N, R 2E; then west 1/2 mile to the west line of Sec 6; then south to the southwest corner of Sec 31, said Township and Range; then east to the main channel of the Nooksack River; then northeasterly along said channel to the north-south centerline of Sec 34, said Township and Range; then north to the east-west centerline of Sec 34; then west 1 3/4 miles; then north 2 miles to the east-west centerline of Sec 20; then west 1/4 mile to the center of Sec 20; then north 2 1/4 miles; then west 1/2 mile to the west line of Sec 8, said Township and Range; then north 1/2 mile; then west 1/2 mile; then north 1/4 mile to the point of beginning.

Precinct 108

Beginning at the north quarter corner of Sec 20, T 40N, R 2E, then south 1/2 mile; then east 1/4 mile; then south to the east-west centerline of Sec 32, said Township and Range; then east to the north-south centerline of Sec 34, said Township and Range; then south to the main channel of the Nooksack River; then northeasterly along the river to the centerline of Guide Meridian; then north along said centerline to its intersection with the city limits of Lynden City; then westerly, northerly and easterly along said city limits to its intersection with the centerline of the extension of Loomis Trail; then west along said extension to the point of beginning.

Precinct 109 (Description correction)

Beginning at the intersection of the centerlines of Harborview and Birch Bay Lynden Roads; then south on the centerline of Harborview Road to the shoreline of Birch Bay; then southwesterly along said shoreline to Point Whitehorn; then southeasterly along the shoreline of Georgia Strait to its intersection with the east line of Sec 19, T 39N, R 1E; then north approximately 1 1/2 miles to the east-west line of the North Quarter of Sec 17, T 39N, R 1E; then east 1/4 mile; then north to the north line of Sec 17; then east to the north-south centerline of Sec 8, T 39N, R 1E; then north 4 miles to the centerline of Birch Bay Lynden Road; then west along said centerline to the point of beginning.

Precinct 110 (Description correction)

Beginning on the north line of Sec 5, T 39N, R 1E at the north-south centerline of said section; then south 2 miles; then west 1/4 mile; then south 1/4 mile; then west 1/4 mile; then south 3/4 mile to the southwest corner of Sec 17, T 39N, R 1E; then east approximately 4 1/2 miles to its intersection with the city limits of Ferndale City; then following the city limits to its intersection with the centerline of Church Road; then north on said centerline of Church Road to the northeast corner of Sec 1, T 39N, R 1E; then west 4 1/2 miles to the point of beginning.

Precinct 111

Beginning at the intersection of the centerlines of the city limits of Ferndale City and Church Road; then north along the centerline of Church Road to the centerline of Harksell Road; then east along the centerline of Harksell Road and its extension to its intersection with the meander line of the Nooksack River; then south-westerly along said meander line to its intersection with the city limits of Ferndale City; then following the city limits of Ferndale City north, westerly, south and westerly to the point of beginning.

Precinct 112 (Description correction)

Beginning at a point where the Nooksack River intersects the East line of Sec 36, T 40N, R 2E; then in a southwesterly direction along the channel of said river to its intersection with the south line of Sec 9, T 39N, R 2E; then east along said south line of said section and section 10 to its intersection with the centerline of Woodlyn Road; then south along said centerline to its intersection with the centerline of W. Axton Road; then west along said centerline 1/4 mile; south 1/2 mile to the east-west centerline of Sec 27; then east 1/2 mile; south 3/4 mile; east 1

mile; south 3/4 mile; east 3/4 mile to the centerline of the Guide Meridian; then north along the centerline of the Guide Meridian to its intersection with the centerline of W. Hemmi Road; then west along said centerline to its intersection with the centerline of Aldrich Road; then north along said centerline to its intersection with the centerline of W. Pole Road; then easterly along said centerline to its intersection with the Guide Meridian; then north along said centerline to the point of beginning.

Precinct 113 (Description correction)

Beginning at the intersection of the centerlines of West Pole Road and Guide Meridian; then south along the centerline of the Guide Meridian to its intersection with the centerline of West Hemmi Road; then west along said centerline to its intersection with the centerline of Aldrich Road; then north along said centerline to its intersection with the centerline of West Pole Road; then easterly along said centerline to the point of beginning.

Precinct 114

Beginning at a point where the west line of Sec 20, T 39N, R 1E, intersects the east shoreline of Georgia Strait; then south to the southernmost tip of Sandy Point; then easterly, northerly and southeasterly to the north-south centerline of Sec 10, T 38N, R 1E; then northerly along the north-south centerline of Sec 10, 3, 34, 27 and 22, Ts 38 and 39N, R 1E, to the north line of Sec 22; then west 2 1/2 miles to the northwest corner of Sec 20; then south along the west line of Sec 20 to the point of beginning.

Precinct 115 (Ferndale City annexation)

Beginning at the north quarter corner of Sec 22, T 39N, R 1E; then south 3 miles; then east 2 1/2 miles; then north to the city limits of Ferndale City; then northerly along said city limits to the north line of Sec 24, said Township and Range; then west to the point of beginning.

Precinct 116

Beginning at the southwest corner of Sec 31, T 39N, R 2E; then north to the city limits of Ferndale City; then easterly and southerly along the city limits of Ferndale City to its intersection with the south line of Sec 33, T 39N, R 2E; then west to the meander line of the Nooksack River; then southerly to its intersection with the west line of Sec 8, T 38N, R 2E; then north approximately 1 1/2 miles along said line to the southeast corner of Sec 31, T 39N, R 2E, then west 1 mile to the point of beginning.

Precinct 117

Beginning at the intersection of the centerline of West Axton Road and the city limits of Ferndale City; then westerly along said city limits to its intersection with the meander line of the Nooksack River; then north-easterly along said meander line to its intersection with the centerline of the Trigg Road extension; then east along said extension to its intersection with the centerline of Woodlyn Road; then south along said centerline and its extension to the centerline of West Axton Road; then westerly along said centerline to the point of beginning.

Precinct 118

Beginning at the intersection of the centerlines of West Smith and Northwest Roads; then north 1/2 mile; then east 1/4 mile; then north to the centerline of West Axton Road; then westerly along said centerline to its intersection with the city limits of Ferndale City; then south along said city limits to its intersection with the centerline of West Smith Road; then east along said centerline to the point of beginning.

Precinct 119

Beginning at the intersection of the West Quarter North-South centerline of Sec 36, T 39N, R 2E and the South line of Sec 36, said Township and Range; then north 3/4 of a mile; then west 1 mile; then north 3/4 of a mile; then west to the centerline of Northwest Road; then south along said centerline to its intersection with the centerline of West Smith Road; then west along said centerline to the city limits of Ferndale City; then southeasterly along said city limits to its intersection with the south line of Sec 34, T 39N, R 2E; then east to the point of beginning.

Precinct 120

Beginning at the north quarter corner of Sec 3, T 38N, R 1E; then south to the meander line of Lummi Bay; then on said meander line in a southeasterly and southwesterly direction along the shores of Lummi Bay to its intersection with the centerline of Smokehouse Road; then east along said centerline to its intersection with the West shoreline of Bellingham Bay; then northerly along said shoreline to the intersection with the Nooksack River; then northerly and westerly along said river to the east line of Sec 7, T 38N, R 2E; then north to the northeast corner of Sec 6 said Twp and Range; then west 3 1/2 miles to the point of beginning.

Precinct 121

Beginning at the intersection of the centerline of Smokehouse Road and the shoreline of Lummi Bay; then southeasterly and northeasterly along said shoreline and the shoreline of Bellingham Bay to its intersection with the centerline of Smokehouse Road; then west along said centerline to the point of beginning.

Precinct 122

All of Lummi Island, being parts of T 37N, R 1E and R 2E; parts of T 38N, R 1E and R 2E; Sec 1, T 36N, R 1E; Sec 6, T 36N, R 2E; and all of what is known as Eliza Island.

Precinct 123

Beginning where the centerline of Slater Road intersects with the Nooksack River; then south along said channel to the meander line along the north shore of Bellingham Bay; then easterly along said shoreline to the west line of the southeast quarter of Sec 16, T 38N, R 2E; then north to the intersection with the centerline of Marine Drive; then easterly along said centerline to the east line of Sec 16, same Township and Range; then north along said section line to its intersection with the city limits of Ferndale City; then westerly along said city limits to its intersection with the North line of Sec 4, T 38N, R 2E; then west to the point of beginning.

Precinct 124 (Description correction)

Beginning at the point where the centerline of Alderwood Avenue intersects with the city limits of Bellingham City; then north and east following said city limits to its intersection with the centerline of the Guide Meridian; then north along said centerline to its intersection with the south section lines of Sec 36 and 35, T 38N, R 2E; then west along said section lines to its intersection with the city limits of Ferndale City; then southwesterly along said city limits to its intersection with the west section line of Sec 3, T 38N, R 2E; then south along said section line and Sec 10, T 38N, R 2E to its intersection with the east-west centerline of Sec 15, T 38N, R 2E; then east along said centerline to its intersection with the north-south centerline of said section; then south along said centerline to its intersection with the intersection of the centerlines of Marine Drive and Alderwood Avenue being the point of beginning.

Precinct 125

Beginning at the centerline of Marine Drive and the North-South centerline of Sec 16, T 38N, R 2E of W.M.; then south along said centerline of Sec 16, to the shore of Bellingham Bay; then southeasterly along the shore of Bellingham Bay to the west city limits of Bellingham City; then

northerly along said city limits to its intersection with the centerline of Alderwood Avenue; then west along said centerline to its intersection with the centerline of Marine Drive; then northwest along said centerline to its intersection with the North-South centerline of Sec 15, T 38N, R 2E; then north along said centerline to the North Quarter line of said Sec 15; then westerly along said quarter line to the section line between Sec 15 and 16; then southerly on said section line to the centerline of Marine Drive; then westerly along said centerline to the point of beginning.

Precinct 126 (Lynden City annexation, non-contiguous division)

Beginning at the intersection of the southern city limits of Lynden City and the centerline of Guide Meridian Road; then south along said centerline to its intersection with the south line of Sec 31, T 40N, R 3E; then east along the south line of Sec 31, 32, 33 and 34 to the centerline of Sec 35, same Township and Range; then north along the north-south centerline of Sec 35 and 26 to the main channel of the Nooksack River; then northwesterly along the meander line of said channel to its intersection with the extension of the centerline of Northwood Road; then north along said centerline to its intersection with the city limits of Lynden City; then southwest along the city limits to the point of beginning.

Precinct 127 (Lynden City annexation)

Beginning at the intersection of the international boundary line and the North-South centerline of Sec 34, T 41N, R 3E; then south approximately 2 1/2 miles along said centerline and the centerline of Northwood Road to its intersection with the city limits of Lynden City; then east, south and west to its intersection with the centerline of Northwood Road; then south along said centerline to its intersection with the meander line of the Nooksack River; then southeasterly along said meander line to its intersection with the city limits of Everson City; then southerly, easterly and northerly along said city limits to its intersection with the city limits of Nooksack City; then easterly and northerly along said city limits to its intersection with the north line of Sec 29, T 40N, R 4E; then east approximately 1 1/4 miles to its intersection with the north-south centerline of Sec 21, T 40N, R 4E; then north approximately 4 1/2 miles to the international boundary line; then west to the point of beginning.

Precinct 128

Beginning at the intersection of the centerlines of Laurel Road and Guide Meridian; then north 3 1/2 miles along the centerline of Guide Meridian Road to the north section line of Section 6; T 39N, R 3; then east 3 miles; then south 1 mile; then east 1/2 mile; then south 1 1/2 miles; then east 1/2 mile; then south 1/2 mile; then west 1/4 mile; then south 1/2 mile; then west 3 3/4 miles to the point of beginning all in T 39N, R 3E.

Precinct 129

Beginning at the intersection of the north-south centerline of Sec 26, T 40N, R 3E, with the Nooksack River; then south to the south line of Sec 35; then west 1 1/2 miles to the northwest corner of Sec 3, T 39N, R 3E; then south 1 mile; then east 1/2 mile; then south 1 1/2 miles to the east-west centerline of Sec 15; then east approximately 3 1/2 miles to the intersection of the Nooksack River; then northwesterly along said river to the city limits of Everson City; then southwest and northwesterly along said city limits to the main channel of the Nooksack River; then northwesterly along said channel to the point of beginning.

Precinct 130

Beginning at the intersection of the centerlines of Guide Meridian and Kelly Roads; then east 3 3/4 miles along the centerline of Kelly Road; then north along said centerline 2 1/2 miles to the centerline of the extension of East Laurel Road; then west along said extension and East Laurel Road to the centerline of Guide Meridian; then south along said centerline to the point of beginning.

Precinct 131

Beginning at a point 1/4 mile west of the northeast corner of Sec 22, T 39N, R 3E; then south 3 miles; then east 2 1/4 miles; then north 3 1/2 miles; then west 2 miles; then south 1/2 mile; then west 1/4 mile to the point of beginning.

Precinct 132 (Description correction)

Beginning at the intersection of the north city limits of Bellingham City and the centerline of the Guide Meridian; then north on said centerline to it's intersection with the south line of section 31, T39N, R 3E; then east 6 miles to the centerline of Mission Road; then south to it's intersection with the centerline of Mt. Baker Highway; then west along said centerline to the centerline of Van Wyck Road; then west along said centerline to it's intersection with the centerline of Dewey Road; then along said centerline to it's intersection with the centerline Mt. Baker Highway; then along the 42nd Legislative boundary to the city limits of Bellingham City; then following said city limits to the point of beginning.

Precinct 133

Beginning at a point where the international boundary line intersects the north-south centerline of Sec 33, T 41N, R 4E; then south approximately 4 1/2 miles to its intersection with the centerline of Sorenson Road; then east along said centerline to the southeast corner of Sec 24, T 40N, R 4E; then South 1 mile to the southwest corner of Sec 30, T 40N, R 5E; then east 2 miles; then north 4 3/4 miles; then east 1/2 mile; then north 1/4 mile; then east approximately 1/6 mile to the north-south centerline of Sec 33, T 41N, R 5E; then north 1/4 mile; then east 3/4 mile; then north to the international boundary line; then west along the boundary line to the point of beginning.

Precinct 134 (Language update)

Beginning at the intersection of the international boundary line and the East line of Sec 36, T 41N, R 5E; then south 6 miles to the southeast corner of said Sec 36; then west 6 miles, then north 1 mile, then east 2 miles and north 4 and 3/4 miles, then east 1/2 mile, north 1/4 mile, east 1/4 mile, north 1/4 mile, east 1/2 mile, then north approximately 1/4 mile to the international boundary line, then east along said boundary line to the point of beginning.

Precinct 135

Beginning at the intersection of the international boundary line and the West line of Sec 31, T 41N, R 6E; then south along said section line and the section lines of Sec 6, 7, 18, 19, 30, and 31, all in T 40N, R 6E; and Sec 6, 7 and 18, T 39N, R 6E; to the southwest corner of Sec 18, T 39N, R 6E; then east 12 miles to the southeast corner of Sec 13, T 39N, R 7E; then north 3 miles, west 6 miles to the southeast corner of Sec 36, T 40N, R 6E; then north approximately 6 1/2 miles to the international boundary line, then west 6 miles along said boundary line to the point of beginning.

Precinct 136 (Language update)

Beginning at the northeast corner of Sec 25, T 40N, R 4E; then west approximately 4 1/8 miles to the city limits of Nooksack City; then southerly and westerly along said city limits and the city limits of Everson City to the meander line of the Nooksack River; then southerly and easterly along said meander line to its intersection with the east-west centerline of Sec 7, T 39N, R 4E, then east along said centerline to the east line of Sec 12, T 39N, R 4E; then north 3 1/2 miles to the point of beginning.

Precinct 137

Beginning at a point where the main channel of the Nooksack River intersects with the east-west centerline of Sec 7, T 39N, R 4E; then east approximately five miles to the east line of Sec

12, same Township and Range; then south along said section line approximately two miles to its intersection with the east-west centerline of Sec 24, same Township and Range; then west approximately 1 1/2 miles to the north-south centerline of Sec 23, same Township and Range, then south to its intersection with the Nooksack River; then northwesterly along the meander line of the Nooksack River to its intersection with Mt. Baker Highway; then southwesterly along the centerline of Mt. Baker Highway to its intersection with the centerline of Kelly Road; then west along said centerline to its intersection with the centerline of Mission Road; then north along said centerline to the east-west centerline of Sec 18, same Township and Range; then east approximately 1 1/2 miles to the Nooksack River; then northwest along said river to the point of beginning.

Precinct 138 (Description correction)

Beginning at the center of Sec 23, T 39N, R 4E; then south approximately 2 miles to the meander line of the Nooksack River, then easterly and southerly along said meander line to its intersection with the South Section line of Sec 31, T 39N, R 5E; then east along the South line of Sec 31 and 32 to its intersection with the meander line of the middle fork of the Nooksack River, then easterly along said meander line to its intersection with the South line of Sec 34, T 39N, R 5E; then east along the South Section line of Sec 35 and 36, T 39N, R 6E, Sec 31, 32, 33, 34, 35 and 36 all in T 39N, R 6E; then north 3 miles to the northeast corner of Sec 24, T 39N, R 6E; then west 6 miles to the northeast corner of Sec 24, T 39N, R 5E; then north 3 miles to the northeast corner of Sec 1, T 39N, R 5E; then west 6 miles to the northwest corner of Sec 6, T 39N, R 5E; then south 3 1/2 miles to the east-west centerline of Sec 24, T 39N, R 4E; then west along said centerline to the point of beginning.

Precinct 139

Beginning at the intersection of the centerlines of Britton and Hillspring Roads; then westerly along the centerline of Hillspring Road to its intersection with the centerline of Levitt Street; then southwesterly along said centerline to its intersection with the centerline of Del Bonita Way; then southerly along said centerline to its intersection with Spring Coulee Road; then northwesterly along said centerline and its extension to its intersection with the city limits of Bellingham City; then south and east along said city limits to its intersection with the centerline of Britton Road; then north along said centerline to the point of beginning.

Precinct 140

Beginning at the intersection of the centerlines of Britton and Hillspring Roads; then westerly along the centerline of Hillspring Road; to its intersection with the centerline of Levitt Street; then southerly along said centerline to its intersection with the centerline of Del Bonita Way; then south along said centerline to its intersection with the centerline of Spring Coulee Road; then westerly along said centerline and its extension to its intersection with the city limits of Bellingham City; then north and west along said city limits to its intersection with the centerline of Mt. Baker Highway; then northeasterly along said centerline to its intersection with the centerline of Britton Road; then southeasterly and south along said centerline to the point of beginning.

Precinct 141 (Description correction)

Beginning at the intersection of the northeast city limits of Bellingham City and State Legislative boundary in Section 16, T 38N, R 3E; then northwesterly and northeasterly along said legislative boundary line to its intersection with the centerline of Van Wyck Road; then east along said centerline to its intersection with the centerline of Mt. Baker Highway; then east along said centerline to the northeast corner of Section 12, same Township and Range; then south 2 1/2 miles along the east section lines of said Sections 12, 13 to the east-west centerline of Section 24; then west 1 1/2 miles, south 1/4 mile, west 1/4 mile, south 1/4 mile and west 1/4 mile to the

city limits of Bellingham City; then northerly along the city limits of Bellingham City to the centerline of Britton Road; then north along said centerline to the centerline of Mt. Baker Highway; then southwest along said centerline to the point of beginning.

Precinct 142 (Description correction)

Beginning with the southeast corner of Section 23, T 38N, R 3E; then east 1/4 mile, north 1/4 mile, east 1/4 mile, north 1/4 mile; east 1 1/2 miles to the east section line of Sec 24; then north 2 1/2 miles to its intersection with the State Legislative Boundary line; then along said boundary east, south and southwesterly and southeasterly to the southwest corner of Section 3, T 37N, R 4E; then west along the south section line of Section 3 and half of Section 4 to the shoreline of Lake Whatcom; then northwest along said shoreline to the point of beginning.

Precinct 143 (Description correction)

Beginning at the northwest corner of Sec 6, T 38N, R 4E; then east 1 1/4 miles to the centerline of the Mount Baker Highway; then along said centerline to its intersection with the meander line of the Nooksack River; then easterly and southeasterly along said river to the northeast corner of Sec 1, same Township and Range; then south 6 miles to the southeast corner of Sec 36, then west approximately 3 1/2 miles to the State Legislative Boundary line; then following said boundary line northerly to the southwest corner of Section 6; then north following the west section line of Section 6 to the point of beginning.

Precinct 144

Beginning at southeast section line of Sec 31, T 37N, R 5E where the Skagit/Whatcom boundary intersects with the legislative boundary line; then northerly and westerly along said legislative boundary line to its intersection with the northeast corner of Sec 4, T 37N, R 4E; then east to the West Section line of Section 31, same Township and Range; then north 6 miles to the southwest corner of Section 31, T 39N, R 4E; then east along said centerline of Sections 31 and 32 to the intersection of the meander line of the Nooksack River; then northerly, easterly, and southerly along said meander line to its intersection with the south section line of Section 2, T 38N, R 5E; then west to the north-south centerline of Sec 9, same Township and Range; then south 5 miles along said section line to the north line of Sec 4, T 37N, R 5E; then east approximately 9 1/2 miles to the southeast corner of Sec 36, T 37N, R 6E; then south 6 miles to the Skagit/Whatcom boundary; then west along said boundary to the point of beginning.

Precinct 145

Beginning at the north-south centerline and its intersection with the south line of Sec 33, T 38N, R 5E, then north 5 miles; then east to the channel of the Middle Fork of the Nooksack River; then northerly along said channel to the north-east corner of Sec 3, same Township and Range; then east 8 miles, south 6 miles, then west 9 1/2 miles to the point of beginning.

Precinct 146

That portion of the territory of T 37N, R 12E, allocated to Whatcom County.

Precinct 147

Beginning at the intersection of the centerline of Lakeway Drive and the city limits of Bellingham City; then south and west along said city limits to the intersection with the north-south centerline of Sec 33, T 38N, R 3E; then south along said centerline to the south line of Sec 33, said Township and Range; then east along the south line of Sec 33 to the northwest corner of Sec 3, T 37N, R 3E; then south 1 mile to the south line of said section; then east along said section line to the centerline of the extension of Lakewood Lane; then north along said extension and Lakewood Lane to the south shoreline of Lake Whatcom; then westerly and northerly along said

shoreline to its intersection with the city limits of Bellingham City; then west and south along said city limits to the point of beginning.

Precinct 148 (Language update)

Beginning at the intersection of the centerline of Lakewood Lane and the south shoreline of Lake Whatcom; then south along the centerline of Lakewood Lane and its extension to the South Section line of Sec 3, T 37N, R 3E; then east approximately 2 miles to the intersection with the centerline of Lake Louise Road; then northwesterly along said centerline to the Southwest corner of Sec 36, T 38N, R 3E; then east along the south section lines to the West shoreline of Lake Whatcom; then northwesterly along said shoreline to the point of beginning.

Precinct 149 (Language update)

Beginning at the intersection of the centerline of Lake Whatcom Boulevard and the North line of Sec 6, T 37N, R 4E; then west to it's intersection with the centerline of Lake Louise Road; then southeasterly along said centerline to the intersection with the South line of Sec 6, T 37N, R 4E; then east along said section line to its intersection with the centerline of Lake Whatcom Boulevard; then northerly along said centerline to the point of beginning.

Precinct 150

Beginning at the intersection of Lake Whatcom Boulevard and the north line of Sec 6, T 37N, R 4E; then east to the west shoreline of Lake Whatcom; then southerly along said shoreline to its intersection with the south line of Sec 16, T 37N, R 4E; then west approximately 1/8 mile to the centerline of Lake Whatcom Boulevard; then northerly along said centerline to the point of beginning.

Precinct 151 (Description correction)

Beginning at the intersection of the centerline of Lake Whatcom Boulevard and the common corner of Sec 8 & 7, T 37N, R 4E; then west along the North line of Sec 7, said Township and Range to the Northwest corner of Sec 7, said Township and Range; then south 2 miles; then east approximately 1 7/8 miles to the centerline of Lake Whatcom Boulevard; then northwesterly along said centerline to the point of beginning.

Precinct 152 (Language update)

Beginning at the northwest corner of Sec 19, T 37N, R 4E; then east 2 miles to its intersection with shoreline of Lake Whatcom; then southeasterly and northerly along the shoreline of said lake to the north section line of Section 9, same Township and Range; then east 1 1/2 miles to the State Legislative boundary line; then south and east along said boundary line to the east line of Section 12; then south along said section line 4 1/4 miles to the Whatcom and Skagit County boundary line; then west 5 miles, north 1 mile, west 1 mile and north 2 miles to the point of beginning.

Precinct 153

Beginning at the southwest corner of Sec 31, T 37N, R 5E; then north approximately 4 1/2 miles to its intersection with the legislative boundary line; then northeasterly and southerly along said boundary line to the south section line of Sec 31, same Township and Range; then west along said section line to the point of beginning.

Precinct 154

Beginning at the intersection of the centerlines of the city limits of Bellingham City and Samish Way; then northerly and easterly along said city limits to its intersection with the North-South centerline of Sec 33, T 37N, R 3E, then south 1/4 mile, east 1/2 mile to the northeast corner of Sec 4, said Township and Range; then south 1 mile along said section line to the southeast

corner of said section; then west 1/2 mile along said section to the North-South centerline of Section 9, same Township and Range; then south along said centerline to the centerline of Samish Way; then westerly along said centerline to the point of beginning.

Precinct 155

Beginning where the south city limits of Bellingham City intersects the eastern shoreline of Chuckanut Bay; then southerly along said shoreline to its intersection with the Skagit-Whatcom County boundary; then east to the southeast corner of Sec 31, T 37N, R 3E; then north 3 1/2 miles to the south city limits of Bellingham City; then west to the point of beginning.

Precinct 156 (Language update)

Beginning at the north quarter corner of Sec 9, T 37N, R 3E; then south along the north-south centerline to the city limits of Bellingham City; then along said city limits to the west line of Sec 17, T 37N, R 3E; then south along the west line of Sections 17, 20, 29 and 32, T 37N, R 3E to the Skagit-Whatcom County boundary; then east 6 miles along said boundary line to the southeast corner of Sec 31, T 37N, R 3E; then north 1 mile, west 1 mile and north 4 miles to the northeast corner of Sec 12, T 37N, R 3E, then west 3 1/2 miles to the point of beginning.

Precinct 157 New (Lynden City annexation, non-contiguous from 126)

Beginning in Sec 31, T 41N, R 3E at the point where the international boundary line intersects the centerline of Guide Meridian Road; then south along said centerline approximately 3 1/2 miles to the northerly city limits of Lynden City; then following said city limits to a point where the city limits intersects with the centerline of Northwood Road; then north along said centerline of Northwood Road to it's intersection with the international boundary line; then west to the point of beginning.

Precinct 201(Language update)

Beginning at the intersection of the city limits of Bellingham City and Interstate 5; then southerly along the centerline of Interstate 5 to its intersection with the centerline of West Bakerview Road; then east along said centerline to its intersection with the centerline of Meridian Street; then north along said centerline to the city limits of Bellingham City; then along said city limits to the point of beginning.

Precinct 202

Beginning at the intersection of the centerlines of West Bakerview Road and Interstate 5; then southeasterly along the centerline of Interstate 5 to its intersection with the centerline of Meridian Street; then north along said centerline to its intersection with the centerline of West Bakerview Road; then west along said centerline to the point of beginning.

Precinct 203 (Language update)

Beginning at the intersection of the west city limits of Bellingham City and the centerline of Cedarwood Avenue; then east along said centerline to its intersection with the centerline of Pinewood Avenue; then north along said centerline to the centerline of Cottonwood Avenue; then west along said centerline to the centerline of Cherrywood Avenue; then north along said centerline to the centerline of Alderwood Avenue; then northeast to its intersection with the centerline of Northwest Avenue; then north along said centerline to the centerline of Interstate 5; then northwesterly along Interstate 5 to its intersection with the city limits of Bellingham City; then following the city limits to the point of beginning.

Precinct 204 (Language update)

Beginning at the intersection of the centerline of West Illinois Street and Squalicum Creek; then northerly along the meander line of said creek to its intersection with Northwest Avenue; then

northerly along Northwest Avenue to its intersection with the centerline of West Maplewood Avenue; then westerly along said centerline to its intersection with the centerline of Cottonwood Avenue; then west along said centerline to its intersection with the centerline of Cherrywood Avenue; then north along said centerline to its intersection with the centerline of Alderwood Avenue; then northerly and east along said centerline to its intersection with Northwest Avenue; then north along said centerline to its intersection with Interstate 5; then east along Interstate 5 to its intersection with centerline of Meridian Street; then south along said centerline to its intersection with West Illinois Street; then west along said centerline to the point of beginning.

Precinct 205 (Language update)

Beginning at the intersection of Squalicum Creek with the outer harbor line of Bellingham Bay; then northeasterly along the meander line of Squalicum Creek to its intersection with the centerline of Northwest Avenue; then northerly along said centerline to its intersection with the centerline of West Maplewood Avenue; then northwesterly along said centerline to its intersection with the centerline of Cottonwood Avenue; then west along said centerline to its intersection with the centerline of Pinewood Avenue; then south along said centerline to its intersection with the centerline of Cedarwood Avenue; then west along said centerline to its intersection with the western city limits of Bellingham City; then southerly along the said city limits to the point of beginning.

Precinct 206 (Language update)

Beginning at the intersection of the centerlines of West North Street with Meridian Street; then north along said centerline to its intersection with the centerline of West Illinois Street; then west along said centerline to the meander line of Squalicum Creek; then southwesterly along said meander line to the outer harbor line of Bellingham Bay; then south along said harbor line to its intersection with the centerline of Cherry Street projected and north along said centerline to its intersection with the centerline of Monroe Street; then east along said centerline to the centerline of Henry Street; then north along said centerline to its intersection with the centerline of West North Street; then east along said centerline to the point of beginning.

Precinct 207 (Language update)

Beginning at the intersection of the centerline of Broadway projected with the outer harbor line of Bellingham Bay; then northeasterly along the centerline of Broadway to its intersection with the centerline of Elm Street; then north along said centerline to its intersection with the centerline of West North Street; then west along said centerline to its intersection with the centerline of Henry Street; then south along said centerline to its intersection with the centerline of Monroe Street; then west along said centerline to its intersection with the centerline of Cherry Street; then southerly along said centerline and Cherry Street projected to the outer harbor line; then along the outer harbor line to the point of beginning.

Precinct 208 (Bellingham City annexation assigned portion to 208 & 209)

Beginning at the intersection of the centerlines of West Illinois and Meridian Street; then north along the centerline of Meridian Street to its intersection with the northerly city limits of Bellingham City; then following the city limits east and southeasterly to its intersection with the centerline of James Street Road; then south along said centerline and James Street and its extension to its intersection with the right-of-way of Interstate 5; then southerly along said right-of-way to its intersection with the centerline of East Illinois Street; then west along the centerline of East and West Illinois to the point of beginning.

Precinct 209 (Bellingham City annexation assigned portion to 208 & 209)

Beginning at the intersection of the centerline of James Street Road and the city limits of Bellingham City; then south along the centerline of James Street Road and James Street and its

extension to the right-of-way of Interstate 5; then southerly along said right-of-way to its intersection with the extension of East Indiana Street; then east along the centerline of East Indiana Street and its extension to the centerline of Orleans Street; then south along said centerline to its intersection with the centerline of East Illinois Street; then east along said centerline to its intersection with Woburn Street; then north along said centerline to its intersection with Barkley Boulevard; then easterly along said centerline to its intersection with the centerline of Carrington Way; then north along said centerline to its intersection with the centerline of Gablecrest Court; then east to the State Legislative line; then along the State Legislative line to the city limits of Bellingham City; then following said city limits to the point of beginning.

Precinct 210

Beginning at the centerlines of the city limits of Bellingham City and the State Legislative boundary line and Magrath Road; then along said city limits to the State Legislative Boundary; then following said boundary line to the point of beginning. All of the city limits of Bellingham City that was divided into the new 40th Legislative District boundary.

Precinct 211

Beginning at the centerlines of Elm Street and Broadway; then northeasterly along the centerline of Broadway to its intersection with the centerline of Kearney Street; then southeasterly along said centerline to its intersection with the centerline of H Street; then northeasterly along said centerline to its intersection with the centerline of Morris Street; then northwesterly along said centerline to its intersection with the centerline of West North Street; then east along said centerline to its intersection with the centerline of Cornwall Avenue; then northwesterly along said centerline to its intersection with the centerline of West Illinois Street; then west along said centerline to its intersection with the centerline of Meridian Street; then south along said centerline to its intersection with the centerline of West North Street; then west along said centerline to its intersection with the centerline of Elm Street; then south along said centerline to the point of beginning.

Precinct 212 (Language update)

Beginning at the intersection of the centerlines of Cornwall Avenue and East Illinois Street; then east to the centerline of Interstate 5; then north to the centerline of East Indiana Street; then east to the centerline of Orleans Street; then south to the centerline of East Illinois Street; then east to the centerline of Pacific Street; then south to the centerline of Alabama Street; then west to the centerline of Iron Street; then north to the centerline of East North Street; then west to the centerline of Humboldt Street; then north to the centerline of East Connecticut Street; then west to the centerline of Franklin Street; then south to the centerline of East North Street; then west to the centerline of Cornwall Avenue; then northwesterly to the point of beginning.

Precinct 213 (Language update)

Beginning at the intersection of the outer harbor line of Bellingham Bay and the southwesterly projection of E Street; then northeasterly along the centerline of E Street to its intersection with the centerline of Kearney Street; then northwesterly to its intersection with the centerline of Broadway; then southwesterly along said centerline and its projection to the outer harbor line of Bellingham Bay; then following the shoreline to the point of beginning.

Precinct 214 (Language update)

Beginning at the intersection of the centerlines of Morris and West North Streets; then east to the centerline of Franklin Street; then north to the centerline of East Connecticut; then east to the centerline of Humboldt Street; then south to the centerline of East North Street; then east to the centerline of Iron Street; then south to the centerline of Alabama Street; then east to the

centerline of Interstate 5; then south to the centerline of Texas Street; then west to the centerline of King Street; then south to the centerline of Carolina Street; then west to the centerline of Cornwall Avenue; then north to the centerline of Logan Street; then northwest to the centerline of E Street; then south to the centerline of Kearney Street; then northwest to the centerline of H Street; then north to the centerline of Morris Street; then northwest to the point of beginning.

Precinct 215

Beginning at the intersection of the centerlines of Texas and Woburn Streets; then northerly along the centerline of Woburn Street to its intersection with the centerline of East Illinois Street; then westerly along said centerline to its intersection with the centerline of Pacific Street; then southerly along said centerline to its intersection with the centerline of Texas Street; then east along said centerline to the point of beginning.

Precinct 216

Beginning at the intersection of the centerlines of Texas Street and Interstate 5; then south along the centerline of Interstate 5 to its intersection with the meander line of Whatcom Creek; then westerly along said meander line to its intersection with the centerline of Cornwall Avenue; then north along said centerline to its intersection with the centerline of Irving Street; then northwest along said centerline to its intersection with the centerline of B Street; then northeast along said centerline to its intersection with the centerline of Jenkins Street; then northwest along said centerline to its intersection with the centerline of E Street; then northeast along said centerline to its intersection with the centerline of Logan Street; then southeast along said centerline to its intersection with the centerline of Cornwall Avenue; then south along said centerline to its intersection with the centerline of Carolina Street; then east along said centerline to its intersection with the centerline of King Street; then north along said centerline to its intersection with the centerline of Texas Street; then east along said centerline to the point of beginning.

Precinct 217 (Language update)

Beginning at the intersection of the meander line of Whatcom Creek with the centerline of Interstate 5; then northerly along the centerline of Interstate 5 to its intersection with the centerline of Alabama Street; then east along said centerline to its intersection with the centerline of Pacific Street; then south along said centerline to its intersection with the centerline of Texas Street; then east along said centerline to its intersection with the centerline of Yew Street; then southerly along said centerline and its southerly extension to its intersection with the meander line of Whatcom Creek; then westerly along said meander line to the point of beginning.

Precinct 218 (Description and language correction)

Beginning at the intersection of the centerline of the continuation of E Street and the outer harbor line of Bellingham Bay; then southerly and easterly along said harbor line to its intersection with the centerline of Wharf Street and its extension; then northeast along said centerline to its intersection with the centerline North State Street; then northeast along said centerline to its intersection with the centerline of East Champion; then southeast along said centerline to the centerline of Gladstone Street; then east along said centerline to its intersection with the centerline of Humboldt Street; then north along said centerline to its intersection with the meander line of Whatcom Creek; then southwesterly following said meander line to its intersection with the centerline of Cornwall Avenue; then north along said centerline to its intersection with the centerline of Irving Street; then northwest along said centerline to its centerline of B Street; then northeast along said centerline to its intersection with the centerline

of Jenkins Street; then northwest along said centerline to its intersection with the centerline of E Street and its projection; then southwesterly along said centerline to the point of beginning.

Precinct 219

Beginning at the intersection of the centerlines of Lakeway Drive and Interstate 5; then northerly along the centerline of Interstate 5 to its intersection with the meander line of Whatcom Creek; then northwesterly and southwesterly along said meander line to its intersection with the centerline of Humboldt Street; then south along said centerline to its intersection with the centerline of Gladstone Street; then west along said centerline to its intersection with the centerline of Ellis Street; then south along said centerline to its intersection with the centerline of High Street; then southwesterly along said centerline to its intersection with the centerline of East Magnolia Street; then southeasterly along said centerline to its intersection with the centerline of Ellis Street; then south along said centerline to its intersection with the centerline of Lakeway Drive; then east along said centerline to the point of beginning.

Precinct 220 (Language update)

Beginning at the intersection of the centerlines of Lakeway Drive and Interstate 5; then north along the centerline of Interstate 5 to its intersection with the meander line of Whatcom Creek; then easterly along said meander line to its intersection with the centerline of the projection of Vining Street also being the State Legislative boundary line; then south along said boundary line to its intersection with the centerline of Silverbeach Road; then southerly along said centerline to its intersection with the centerline of Lakeway Drive; then west along said centerline to the point of beginning.

Precinct 221 (Language update)

Beginning at the intersection of the centerlines of Interstate 5 and Lakeway Drive; then east along the centerline of Lakeway Drive to its intersection with the centerline of St. Paul Street; then south along said centerline and its extension to the city limits of Bellingham City; then west along said city limits and the centerline of the extension of Byron Avenue to its intersection with the centerline of the Orleans Street projected; then north along said projection to its intersection with the centerline of Consolidation Avenue; then west along said centerline to its intersection with the centerline of Interstate 5; then north along said centerline to the point of beginning.

Precinct 222 (Bellingham City annexation)

Beginning at the intersection of the centerlines of Lakeway Drive and St. Paul Street; then south along the centerline of St. Paul Street and its extension to the city limits of Bellingham City; then along said city limits to its intersection with the centerline of Yew Street; then north along said centerline to its intersection with the centerline of Lakeway Drive; then west along said centerline to the point of beginning.

Precinct 223

Beginning at the intersection of the centerlines of Alabama and Ontario Streets; then north along the centerline of Ontario Street and its extension to its intersection with the centerline of Barkley Boulevard; then west along said centerline to its intersection with the centerline of Woburn Street; then south along said centerline to its intersection with the centerline of Texas Street; then east along said centerline to its intersection with the centerline of Yew Street; then north along said centerline to its intersection with the centerline of Alabama Street; then east along said centerline to the point of beginning.

Precinct 224 (Description correction)

Beginning at the intersection of the centerlines of Alabama Street and Ontario Street; then north along the centerline of Ontario Street to its intersection with the centerline of Barkley Boulevard;

then easterly along said centerline to it's intersection with the centerline of the extension of Sylvan Street; then south along said centerline to it's intersection with the centerline of Illinois Lane; then west along said centerline to it's intersection with the centerline of West Crestline Drive; then south along said centerline and the centerline of Crestline Drive to it's intersection with the centerline of Alabama Street; then west along said centerline to the point of beginning.

Precinct 225 (Bellingham City annexation and description correction)

Beginning at the intersection of the centerlines of Alabama Street and Crestline Drive; then north along the centerline of Crestline Drive and West Crestline Drive to it's intersection with the centerline of Illinois Lane; then east to it's intersection with the centerline of Sylvan Street; then north along said centerline to it's intersection with the centerline of Barkley Boulevard; then east along said centerline to its intersection with the centerline of Carrington Way; then north along said centerline to it's intersection with the centerline of Gablecrest Court; then east along said centerline to its intersection with the city limits of Bellingham City; then east and south along said city limits to the northerly city limits; then west along said city limits line to it's intersection with the centerline of Martin Street projected; then south along said centerline to the shoreline of Lake Whatcom; then southwest along said shoreline to the centerline of Alabama Street projected; then west along said centerline to the point of beginning.

Precinct 226 (Language update)

Beginning at the intersection of the eastern shoreline of Lake Whatcom and the south-east city limits of Bellingham City; then north and west along said city limits to its intersection with the centerline of Martin Street projected; then south along said centerline to the shoreline of Lake Whatcom; then southeast to the point of beginning.

Precinct 227 (Language update)

Beginning at the intersection of the centerlines of Yew Street and Alabama Street; then east along the centerline of Alabama Street to its intersection with the centerline of Vining Street; then south along said centerline and the State Legislative boundary to its intersection with the meander line of Whatcom Creek; then northwesterly along said meander line to its intersection with the centerline of the projection of Yew Street; then north along said projection and Yew Street to point of beginning.

Precinct 228 (Language update)

Beginning at the intersection of the centerlines of Vining and Alabama Streets; then east along the centerline of Alabama Street to the west shoreline of Lake Whatcom; then southeasterly along said shoreline to its intersection with the city limits of Bellingham City; then westerly along said city limits to its intersection with the centerline of Lakeway Drive; then westerly along said centerline to its intersection with the centerline of Silver Beach Road; then north along said centerline to the State Legislative boundary line; then north along said boundary line to the point of beginning.

Precinct 229 (Description correction)

Beginning at the intersection of the centerlines of Yew Street and Lakeway Drive; then easterly along the centerline of Lakeway Drive to its intersection with the city limits of Bellingham City; then following the city limits south and west to its intersection with the centerline of Yew Street; then north along said centerline to the point of beginning.

Precinct 230 (Description correction)

Beginning at the intersection of the outer harbor line of Bellingham Bay and the centerline of Wharf Street projected; then easterly along the centerline of Wharf Street projected and Wharf Street to its intersection with the centerline of North State Street; then south along said

centerline to its intersection with the centerline of East Pine Street; then southeast along said centerline to its intersection with the centerline of North Garden Street; then southerly along said centerline to its intersection with the centerline of West Campus Way; then southerly along said centerline to its intersection with the centerline of High Street and Highland Drive; then along said centerline of Highland Drive to its intersection with the centerline of Consolidation Avenue extended; then west along said centerline to the centerline of Garden Terrace; then southwesterly along said centerline to the centerline of 17th Street; then northerly along said centerline to the centerline of South Garden Street; then southwesterly along said centerline to its intersection with the centerline of Olive Street; then northwesterly along said centerline to the outer harbor line of Bellingham Bay; then northeasterly along said harbor line to the point of beginning.

Precinct 231

Beginning at the intersection of the centerlines of North Garden and East Pine Streets; then northeasterly along said centerline of North Garden Street to its intersection with the centerline of East Oak Street; then southeast along said centerline to its intersection with the centerline of High Street; then northeast along said centerline to its intersection with the centerline of East Maple Street; then northwest along said centerline to its intersection with the centerline of North State Street; then southwest along said centerline to its intersection with the centerline of East Pine Street; then southeast along said centerline to the point of beginning.

Precinct 232 (Description correction)

Beginning at the intersection of the centerlines of East Maple and North State Streets; then northeast along the centerline of North State Street to its intersection with the centerline of East Champion Street; then southeast along said centerline to the intersection with the centerline of Ellis Street; then south along said centerline to its intersection with the centerline of High Street; then southwest along said centerline to its intersection with the centerline of East Magnolia Street; then southeast along said centerline to its intersection with the centerline of Ellis Street; then south along said centerline to its intersection with the centerline of Lakeway Drive; then east along said centerline to its intersection with the centerline of Interstate 5; then south along said centerline to its intersection with the extension of the centerline of Abbot Street; then west along said centerline to its intersection with the centerline of Samish Way; then north on said centerline to its intersection with the centerline of East Maple Street; then northwest along said centerline to the point of beginning.

Precinct 233 (Description correction)

Beginning at the intersection of the centerlines of East Oak and North Garden Streets; then southwesterly along the centerline of North Garden Street to its intersection with the centerline of West Campus Way; then southerly along said centerline to its intersection with the centerline of Highland Drive; then south along said centerline to its intersection with the centerline of West College Way; then southerly and easterly along said centerline to its intersection with the centerline of 21st Street; then northeasterly along said centerline and its extension to its intersection with the centerline of the west projection of the centerline of Consolidation Avenue; then east along said projection to its intersection with the centerline of Liberty Street projected; then northeast along said projection to its intersection with the centerline of the projection of East Oak Street; then northwest along said centerline to the point of beginning.

Precinct 234 (Language update)

Beginning at the intersection of the centerlines of Interstate 5 and the projection of Consolidation Avenue; then north along the centerline of Interstate 5 to its intersection with the centerline of the extension of Abbott Street; then west along said centerline to its intersection with the centerline of North Samish Way; then north along said centerline to its intersection with

the centerline of East Maple Street; then northwesterly along said centerline to its intersection with the centerline of High Street; then southwesterly along said centerline to its intersection with the centerline of Oak Street projected; then southeasterly along said centerline to its intersection with the centerline of Liberty Street projected; then southwesterly along said centerline to its intersection with the centerline of the west extension of Consolidation Avenue; then east along said centerline to the point of beginning.

Precinct 235 (Language update)

Beginning at the intersection of the centerline of Taylor Avenue extended and the outer harbor line of Bellingham Bay; then east along said centerline to its intersection with the centerline of 10th Street; then south along said centerline to its intersection with the centerline of Douglas Avenue; then east along said centerline to its intersection with the centerline of Finnegan Way; then southeast along said centerline to its intersection with the centerline of 12th Street; then north along said centerline to its intersection with the centerline of Knox Avenue; then east along said centerline to its intersection with the centerline of 16th Street; then north along said centerline to its intersection with the centerline of Adams Avenue; then west along said centerline to the outer harbor line of Bellingham Bay; then south along said harbor line to the point of beginning.

Precinct 236 (Language update)

Beginning at the intersection of the centerlines of 16th Street and Taylor Avenue; then east along the centerline of Taylor Avenue to its intersection with the centerline of Highland Drive; then north along said centerline to its intersection with the centerline of Easton Avenue; then east along said centerline to its intersection with the centerline of 20th Street; then north along said centerline and its extension to its intersection with the centerline of West College Way; then west and north along said centerline to its intersection with the centerline of Highland Drive; then north along said centerline to its intersection with the extension of the centerline of Consolidation Avenue; then west along said centerline extended to its intersection with the centerline of North Garden Terrace; then southwest along said centerline and the centerline of South Garden terrace to its intersection with the centerline of 17th Street; then north along said centerline to its intersection with the centerline of South Garden Street; then southerly along said centerline to its intersection with the centerline of Olive Street; then northwesterly along said centerline to the outer harbor line of Bellingham Bay; then southwesterly along said harbor line to its intersection with the westerly projection of the centerline of Adams Avenue; then easterly along said centerline to its intersection with the centerline of 16th Street; then south along said centerline to the point of beginning.

Precinct 237 (Description correction)

Beginning at the intersection of the centerlines of Bill McDonald Parkway and 25th Street; then north along the centerline of 25th Street and its extension to the centerline of East College Way; then northerly along said centerline to the centerline of the extension of Consolidation Avenue; then west along said centerline to its intersection with the centerline of 21st Street and its extension; then south along said centerline to its intersection with the centerline of West College Way; then west along said centerline to its intersection with the centerline of 20th Street and its extension; then south along the said centerline to its intersection with the centerline of Easton Avenue; then west along said centerline to its intersection with the centerline of Highland Drive; then south along said centerline to its intersection with the centerline of Bennett Avenue; then east along said centerline and the centerline of Bill McDonald Parkway to the point of beginning.

Precinct 238 (Description correction)

Beginning at the intersection of the centerlines of East College Way and the projection of Consolidation Avenue; then east along said projection and Consolidation Avenue to its

intersection with the centerline of Interstate 5; then south along said centerline to its intersection with the centerline of Taylor Avenue; then west along said centerline to its intersection with the centerline of 30th Street; then south along said centerline to its intersection with the centerline of Douglas Avenue; then west along said centerline to its intersection with the centerline of 23rd Street; then north along said centerline to its intersection with the centerline of Bill McDonald Parkway; then east along said centerline to its intersection with the centerline of 25th Street; then north along said centerline and the centerline of East College Way to the point of beginning.

Precinct 239 (Language update)

Beginning at the intersection of the centerline of Mill Avenue with the eastern city limits of Bellingham City; then northerly along said city limits to its intersection with the extension of the centerline of Byron Avenue; then west on said centerline to its intersection with the centerline of Orleans Street projected; then north on said centerline to its intersection with the centerline of Consolidation Avenue; then west along said centerline to its intersection with the centerline of Interstate 5; then southwesterly along said centerline to its intersection with the projection of the centerline of Taylor Avenue; then easterly along said centerline to its intersection with the centerline of Samish Way; then southeasterly along said centerline to its intersection with the centerline of Mill Avenue; then easterly along said centerline and its projection to the point of beginning.

Precinct 240
